

POLICIES AND PROCEDURES

a) Policy for Penny Stock

A stock that trades at a relatively low price and market capitalization. These types of stocks are generally considered to be highly speculative and highly risky because of their lack of liquidity, large bid-ask spreads, small capitalization and limited following and disclosure. Depending on the market condition and RMS policy of the company, RMS reserve the right to refuse to provide the limit in Penny stocks and losses if any on account of such refusal shall be borne by client only.

b) Setting up client's exposure limits

The stock broker may from time to time impose and vary limits on the orders that the client can place through the stock broker's trading system (including exposure limits, turnover limits, limits as to the number, value and/or kind of securities in respect of which orders can be placed etc.) The client is aware and agrees that the stock broker may need to vary or reduce the limits or impose new limits urgently on the basis of the stock broker's risk perception and other factors considered relevant by the stock broker including but not limited to limits on account of exchange/SEBI directions/limits (such as broker level/market level limits in security specific/volume specific exposures etc.), and the stock broker may be unable to inform the client of such variation, reduction or imposition in advance. The client agrees that the stock broker shall not be responsible for such variation, reduction or imposition or the client's inability to route and order through the stock broker's trading system on account of any such variation, reduction or imposition of limits. The client further agrees that the stock broker may at any time, at its sole discretion and without prior notice, prohibit or restrict the client's ability to place order or trader in securities through the stock broker, or it may subject any order placed by the client to a review before its entry into the trading systems and may refuse to execute/allow execution of orders due to but not limited to the reason of lack of margin/securities or the order being outside the limits set by stock broker/exchange/SEBI and any other reasons which the stock broker may deem appropriate in the circumstances. The client agrees that the losses, if any on account of such refusal or due to delay caused by such review shall be borne exclusively by the client alone.

We have margin based RMS system. Total deposits of the clients are uploaded in the system and client may take exposure on the basis of margin applicable for respective security as per VAR based margining system of the stock exchange and/or margin defined by RMS based on their risk perception. Client may take benefit of "credit for sale" i.e. benefit of share held as margin by selling the same by selecting Delivery option through order entry window on the trading platform, the value of share sold will be added with the value of deposit and on the basis of that client may take fresh exposure.

In case of exposure taken on the basis of shares margin the payment is required to be made before the exchange pay in date otherwise it will be liable to square off after the pay in time or any due to shortage of margin.

c) **Applicable brokerage rate :-** Brokerage will be charged within the limits prescribed by SEBI/Exchange.

d) **Imposition of penalty / delayed payment charges**

Clients will be liable to pay late pay in/delayed payment charges for non making payment of their payin/margin obligation on time as per the exchange requirement/schedule at the rate upto 2% per month.

The client agrees that the stock broker may impose fines/penalties for any orders / trades / deals / actions of the client which are contrary to this agreement / rules / regulations / bye laws of the exchange or any other law for the time being in force, at such rates and in such form as it may deem fit. Further where the stockbroker has to pay any fine or bear any punishment from any authority in connection with / as a consequence of /in relation to any of the orders / traders / deals / actions of the client, the same shall be borne by the client.

e) **The right to sell client's securities or close client's positions, without giving notice to the client, on account of non-payment of client's dues**

Without prejudice to the stock brokers other right (Including the right to refer the matter to arbitration), the stock broker shall be entitled to liquidate/close out all or any of the clients position without giving notice to the client for non payment of margins or other amounts including the pay in obligation outstanding debts etc and adjust the proceeds of such liquidation/close out, if any, against the clients liabilities/obligations. The client shall ensure timely availability of funds/securities in form and manner at designated time and in designated bank and depository account (s), for meeting his / her / its pay in obligation of funds and securities. Any and all losses and financial charges on account of such liquidations/closing out shall be charged to & born by the client. In cases of securities lying in margin account/client beneficiary account and having corporate actions like Bonus, Stock split, Right issue etc, for margin or other purpose the benefit of shares due to received under Bonus, Stock split, Right issue etc will be given when the shares is actually received in the stock broker designated demat account.

In case the payment of the margin / security is made by the client through a bank instrument, the stock broker shall be at liberty to give the benefit/credit for the same only on the realization of the funds from the said bank instrument etc, at the absolute discretion of the stock broker. Where the margin / security is made available by way of securities or any other property, the stock broker is empowered to decline its acceptance as margin / security & / or to accept it at such reduced value as the stock broker may fit by applying haircut or by valuing it by marking it to market or by other method as the stock broker may deem fit in its absolute discretion.

The stock broker has the right but not the obligation, to cancel all pending orders and to sell/close/liquidate all open positions/securities/shares at the pre-defined square off time or when Mark to Market (M-T-M) percentage reaches or crosses stipulated margin percentage, whichever is earlier. The stock broker will have sole discretion to decide referred stipulated margin percentage depending upon the market condition. In the event of such off, the client agrees to bear all the losses based on actual executed prices, the client shall also be solely liable for all and any penalties and charges levied by the exchange(s).

f) **Shortages in obligations arising out of internal netting of trades**

Stock broker shall not be obliged to deliver any securities or pay any money to the client unless and until the same has been received by the stock broker from the exchange, the clearing corporation / clearing house or other company or entity liable to make the payment and the client has fulfilled his/her/its obligations first.
